THE MONTH OF MARY

The month of May has traditionally been dedicated to Our Blessed Lady and, as such, is the occasion for moving tributes of faith and love which Catholics in every part of the world pay to the Queen of Heaven. During this month, both in church and in the privacy of our homes, we offer up to Mary an especially heartfelt homage of prayer and veneration. Here at Assumption we will be honoring many images of Mary in the sanctuary throughout the month of May.

Dear friends in the Lord,

As you know, every year we here in the Archdiocese of New York take up a special collection for the *Church in Central and Eastern Europe*. During the time of communist reign in many countries, practicing the faith became illegal, church buildings were confiscated, and people were forced to hide and secretly share the truths of the Gospel. After decades of institutional oppression and persecution, Catholics still struggle to rebuild not only their physical places of worship, but also their church ministries and communities. With your support of this collection, the Church is providing resources to these communities to breathe new life into the faith once again.

For example, the nation of Albania is nestled north of Greece on the Adriatic Sea. This small county suffered greatly under communist rule. In the capital of Tirana, located in the middle of the country suffered, the Church is continuing to restore not only its structures, but also the spirituality of the faithful after years of oppression. In 1996, the congregation of sisters known as the Company of Mary Our Lady founded a kindergarten, the first 1-9 and a daily activity center for children. These sisters are now serving over 700 children daily from all different backgrounds, faiths, and ethnic groups. With your support of *Church in Central and Eastern Europe*, these sisters will be able to make critical repairs to their building to continue their service. Your generosity helps them to continue teaching children and equips the congregation to provide a space to build peaceful communities.

Be assured that your donations make a difference for those still struggling in the aftermath of communism so, please prayerfully consider how you can support this special collection for the *Church in Central and Eastern Europe*.

Thank you for your help to restore the Church and build the future in Central and Eastern Europe.

With prayerful best wishes, I am,

Faithfully in Christ,
† Timothy Michael Cardinal Dolan
Archbishop of New York

NEW YORK, NY 10022

29 de abril de 2018
Tiempo de Pascua

Estimados amigos en el Señor,

Como conocen, todos aquí en la Arquidiócesis de Nueva York, hacemos una colecta especial para la *Iglesia Central y Oriental en Europa*. Durante el tiempo del reinado comunista en muchos países, la práctica de la fe era ilegal, los edificios de la iglesia fueron confiscados y las personas fueron forzadas a esconderse y compartir secretamente las realidades del Evangelio. Después de décadas de opresión institucional y persecución, los católicos aun lucharon por reconstruir no solo sus lugares de culto físico, sino también sus ministerios y comunidades eclesiales. Con su apoyo a esta colecta, la Iglesia está proporcionando recursos a estas comunidades para dar nueva vida a la fe una vez más.

Por ejemplo, la nación de Albania se encuentra al norte de Grecia en el Mar Adriático. Este pequeño país sufrió mucho bajo el gobierno comunista. En la capital de Tirana, situada en el centro del país, la Iglesia continúa restaurando no solo sus estructuras, sino también la espiritualidad de los fieles después de años de opresión. En el año 1996, la congregación de hermanas conocida como la Compañía de María Nuestra Señora fundó una escuela primaria, la primera escuela católica en toda la ciudad capital. Desde entonces, han abierto una escuela para los grados 1-9 y un centro de actividades diarias para niños. Estas hermanas ahora sirven a más de 700 niños diariamente de diferentes orígenes, creencias, y grupos étnicos. Con su apoyo para la Iglesia Central y Oriental en Europa, estas hermanas podrán realizar reparaciones críticas en su edificio para continuar su servicio. Su generosidad les ayuda a continuar enseñando a los niños y proveer a la congregación para proporcionar un espacio para construir comunidades pacíficas.

Tengan la seguridad de que sus donaciones marcan la diferencia para aquellos que aun luchan después del comunismo, por favor, considere en oración como puedan apoyar esta colecta especial para la Iglesia Central y Oriental en Europa.

Gracias por su apoyo para restaurar la Iglesia y construir el futuro en Europa Central y Oriental.

Con mejores deseos de oración, suyo,

Fielmente en Cristo,

† Timothy Michael Cardinal Dolan
Arzobispo de Nueva York
