First Fridays of every month are special times to visit our Lord, who is truly present in the Eucharist and exposed in the Church. This **Friday, August 3**, our Lord Jesus Christ, in the Eucharist, will be on the altar for adoration from 12:15pm – 7:00pm. At 7:00pm the Novena to the Sacred Heart of Jesus and Benediction of the Blessed Sacrament will take place. Come and spend time adoring the Lord Jesus with us.

Abortion and Contraception

"It is noteworthy that as acceptance and use of contraception have increased in our society, so have acceptance and use of abortion. Couples who unintentionally conceive a child while using contraception are far more likely to resort to abortion than others. Tragically, our society has fallen into a mentality that views children as a burden and invites many to consider abortion as a "backup" to contraceptive failure. This is most obvious in efforts to promote as "emergency contraception" drugs that really act as early abortifacients.

"With Pope John Paul II we affirm that contraception and abortion are "specifically different evils," because only "the latter destroys the life of a human being," but that they are also related (The Gospel of Life, no. 13). It is important to remember that means that are referred to as "contraceptive" are, in reality, sometimes also abortifacient. An end to abortion will not come from contraceptive campaigns but from a deeper understanding of our human sexuality, and of human life, as sacred gifts deserving our careful stewardship" (2001: US Bishops' Pastoral Plan for Pro-life Activities: A Campaign in Support of Life).

July 29, 2018

Dear friends in the Lord:

Here in the United States, there is a great need for evangelization and for sharing the message of Christ and the beauty of His Church. And yes, we all know that the Church at home needs to be strengthened and fortified. And so, we take up the *Catholic Home Missions Appeal*, which supports the neediest (arch)diocese in the United States. This special collection makes the most basic faith programs possible and shares the Gospel message with our brothers and sisters in (arch)diocese where Church communities are scattered and struggling.

It's time for our annual special collection for the *Church in Latin America*. Although the people are faith-filled, the needs in this region of the world are great – and often seem insurmountable. The distance between rural areas and deteriorated roads make it difficult for some communities to have Mass celebrated regularly. Language barriers and lack of resources make catechetical materials difficult to produce.

We are called to share our faith with all, and next week's special collection is a prophetic and bold way to do so.

With prayerful best wishes, I am,

Faithfully in Christ,

† Timothy Michael Cardinal Dolan
Archbishop of New York
